MESSAGE FROM THE FOUNDER

Dear Friends and Partners of Education Solutions International Inc.,

I hope this message finds you well. As CEO of Education Solutions International Inc., I am pleased to share our remarkable progress during the 2023 fiscal year in advancing education across the Caribbean region.

Our organization's impact this year has been particularly meaningful as we focused on building trust and establishing strong partnerships throughout the Caribbean islands. We're proud to have launched several concrete initiatives that directly support our mission of educational advancement.

A significant milestone this year has been our success in scaling our professional development reach through our innovative online training platform. We've proudly hosted sessions accommodating hundreds of educators simultaneously, bringing together teachers and school leaders from across the globe. This digital transformation has allowed us to create a truly international community of educators who share our commitment to improving successful outcomes for all learners. The diversity of perspectives and experiences shared in these sessions has enriched our professional learning community and strengthened our global educational network.

Among our key accomplishments, we initiated a laptop donation program to provide essential technology access to students and educators. We also established a recognition program providing competition ribbons to schools, celebrating and encouraging academic excellence across the region.

A significant highlight of our year has been our investment in teacher professional development, particularly at the master's level. Through carefully designed Professional Development sessions, we've helped enhance the capabilities of educators pursuing advanced degrees, ultimately strengthening the foundation of education in our communities.

Our commitment to making education accessible remains unwavering. Through our international workshops, conferences, and networking events, we've created valuable opportunities for knowledge sharing and collaboration. Our virtual learning platforms have further extended our reach, ensuring our resources are available to educators and students throughout the Caribbean diaspora.

As we look ahead, we remain dedicated to our founding vision of bridging educational gaps and creating opportunities for all. Your partnership has been instrumental in our success, and we look forward to continuing this important work together.

Thank you for your continued support of our mission to transform lives through education.

Warm regards,

Dr. Dwayne Dyce CEO,
Education Solutions International Inc.

MISSION AND VISION

Mission: Education Solutions International Inc. is dedicated to advancing equitable access to quality education for all, with a primary focus on Caribbean and diaspora communities worldwide. Our mission is to empower school leaders, administrators, educators, families, and students through comprehensive professional development, workshops, conferences, networking events, student/educator exchanges, and other relevant training. We aim to break down barriers to education, fostering an environment where individuals can thrive, innovate, and contribute to their communities and the world at large.

Vision: Our vision is a world where education transcends borders and socioeconomic barriers, empowering every individual to reach their full potential. We aspire to be a catalyst for positive change by promoting inclusive and transformative education. Education Solutions International Inc. envisions a future where our programs and resources serve as a bridge, connecting diverse cultures, fostering collaboration, and nurturing a global community of lifelong learners. We strive to inspire innovation, creativity, and a shared commitment to the belief that education is the key to unlocking a brighter, more prosperous future for all.

STRATEGIC HIGHLIGHTS

In-Person Professional Development Training

ESI was an invited speaker at Catholic College of Mandeville Teacher's College for the annual Masters Program as part of the professional development activities. The training conducted was the Clifton StrengthsFinder professional workshop for final year master's in education learners. The workshop provided learners with the opportunity to develop a deeper understanding about themselves in relation to their professional strengths based on their individual characteristics. These strengths are useful to identifying how best they lead in their professional lives.

A special thank you to Ms. Joan Belfon, the coordinator of the master's in education (MEd) program at the Catholic College of Mandeville for her vision of organization the workshop for learns in the program.

Strategic Highlights

EduTALK

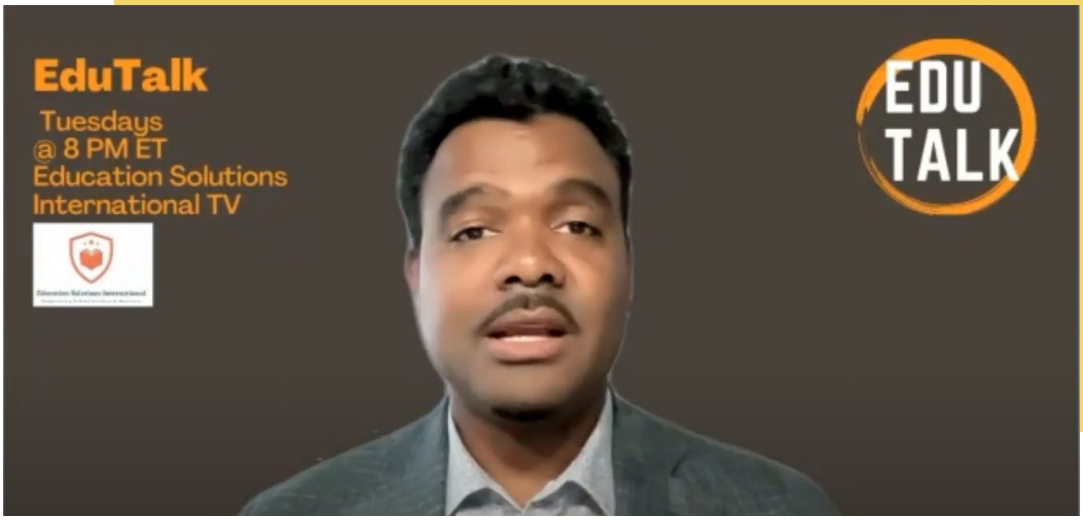

EduTALK is an online talk show where topics in education and about areas of interest we should all be educated about are discussed in an informal but informative exchange with the host and CEO Dr. Dwayne Dyce.

The 2023 episodes available on the ESI Youtube channel on subjects such as:

- Jamaica's Republic Journey
- Immigration Law - International Student Visas
- System Thinking with Artificial Intelligence
- The Illusion of School and Intelligence
- Education as a Spiritual Experience
- Comparing Schools - Apples and Oranges
- How Externship is Changing the Face of Education
- The Making of a Principal
- Leading Schools with Community Engagement
- Being Culturally Responsive
- Women's Race and Activism Through Theater
- Living in Japan - Culture and Education

plus many more…

Strategic Highlights

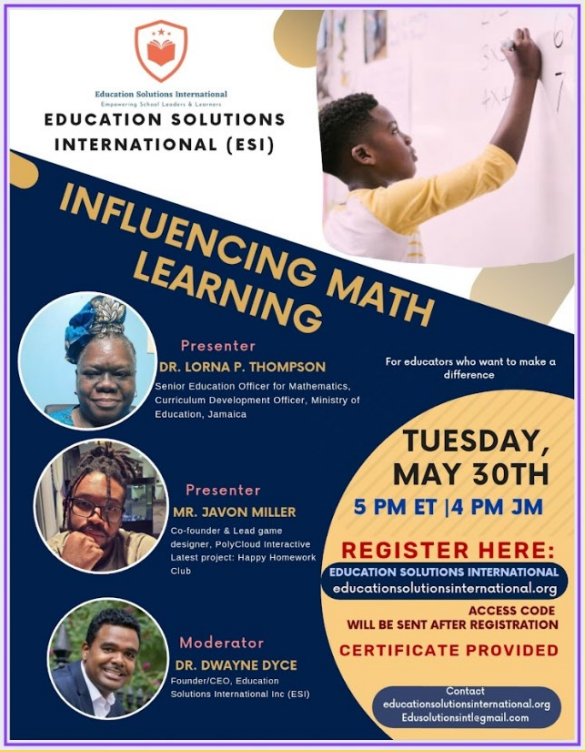

Virtual Training and Conference Presentations

The online conference presentations organized by ESI bring the global learning community together to learn, explore and discuss important topics in education about strategies, tools and perspectives that improve the outcomes for educators, school leaders and students alike. This work is essential to ensuring the continued progress of education in the English-speaking islands continues to be challenging, integrate best practices around the globe and ensure that the educational institutions, educators and students remain competitive in the world so that their contributions will be values in the global economy.

Strategic Highlights

Laptop Donation at Essay Competition

We are pleased to have participated as a judge at the Bishop's Law Foundation partnered with the Kiwanis International Club's Jamaican Republic Essay Competition at which students from high schools across the parish of St. Ann, presented their arguments about why Jamaica should become a Republic. Students were judged on the most compelling arguments which they presented, in person, substantiated by research, history and persuasive language. ESI's partnership with the Bishop's Law Foundation and Kiwanis International Club awarded laptops to the top three student presenters. Several students read their remarkable essays demonstrating their talented critical thinking, analysis and writing skills.

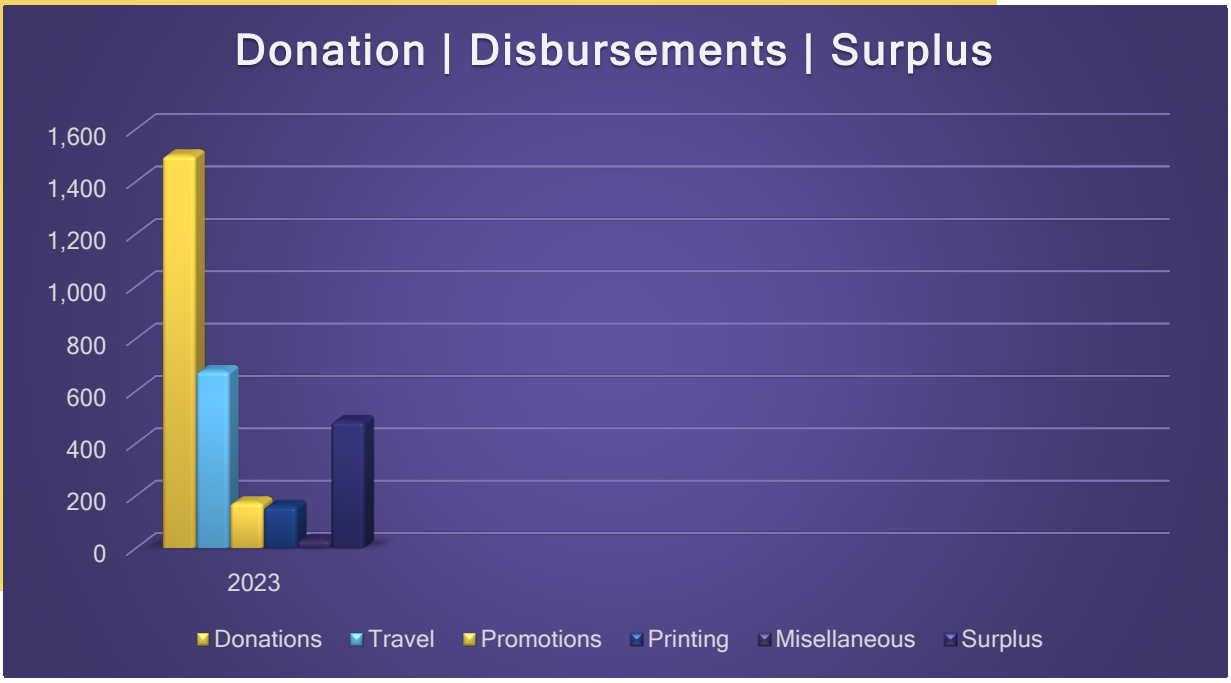

ESI also had the privilege of donating laptops to the Aabuthnott Gallimore High School in Alexandria, St. Ann, the alma mater of ESI's CEO, Dr. Dwayne Dyce. Joined by Mrs. Eloise S. Panton, principal, and the student leaders from the student council. The laptops were part of a donation drive by ESI to provide schools with more devices for students and teachers in Jamaica. The laptops were welcomed by the math and technology departments.

Purchaser of promotional materials		$175	
Training Materials and Publications		$160	
Miscellaneous expenses		$30	
Money remaining at the end of 2023			$458

LOOKING AHEAD

As we look toward the coming year of 2024, ESI seeks to expand the reach and reputation of the organization.

Board of Directors

Current ESI leadership will be conducting a search within our international educational community to identify additional partners equally committed to carrying out the mission and vision expanding the board.

Core Leadership Team

ESI's core leadership team will be asked to renew their commitment to the leadership team by identifying their willingness to contribute a minimum amount of time and financial resources to achieving the ongoing mission and vision of the organization.

Annual International Conference

In an effort to reach both teachers and school leaders consistently each year, ESI will be establishing annual international conferences for each of these educational communities at which English speaking schools from across the Caribbean and the world to attend professional development "boot camps" style training to introduce attendees to international best practices, educational institution tours, as well as in person and virtual learning opportunities that will unite the global learning communities under one goal – to ensure students success in the global economy in a technologically advancing world.

Partnerships

The continued success of ESI depends on the continuous establishment and maintenance of partnerships with local governments, educational ministries, union leadership, and school leaders. ESI will establish formal memorandum of agreements with various island nations as it expands to partnerships with other countries and educational organizations.
